DIFFERENTIATOR

Our Rapid Resource Deployment (RRD®) Model is Razor's proprietary approach to delivering cleared, qualified talent rapidly and efficiently, tailored to meet federal mission needs. The RRD® Model is designed to facilitate rapid scalability and streamline resource management via four pillars, enabling our partners to manage their engagements effectively:

- **Planning & Strategizing** to evaluate tasks and program requirements
- **Onboarding** with procurement to manage trust and clearance process
- **Screening & Selection** of candidates for task-specific roles
- **HR & Consultant Care** to oversee delivery and ensure comprehensive support
